### \* repeat ads

Repeat ads must be booked together to receive the discounted rate for each ad

## **\*\* inserts**

You can include an unstapled insert/flyer for insertion into *Visions*. Inserts must be one page only and not thicker than 70lb bond paper. Double-sided, or colour are at the discretion of the advertiser. The insertion costs and dimensions are in the table above; the costs do not include printing of the flyer. The advertiser must supply 5500 copies of the insert to an address specified by *Visions Journal*, at a deadline usually between the submission deadline and the publication date. The insert is tucked in after the centrefold so as to reduce risks of falling out; they are not stapled in. Please note that *Visions* is not mailed out in an envelope.

## **charities discount**

Registered charitable organizations are eligible for a 20% discount, before tax. The charity must be the same as the advertiser. Please provide your charitable business number at the time of booking.

## **advertising deadlines**

Note: these dates may be pushed later slightly in some cases. There may also be unforeseeable delays at the mailhouse. If your ad features a fixed date such as an event, please indicate the date of your event at time of booking so we can ensure you book in an issue where it will reach the readership before your event.
